DISCLAIMER

This Declaration of Conformity has been prepared to the best of our knowledge and is based on information, data, and declarations provided by our suppliers. We have relied in good faith on the accuracy and completeness of this third-party information and have not independently verified it through our own laboratory testing or analysis, unless explicitly stated otherwise.

Should the information provided by our suppliers later prove to be incomplete, inaccurate, or outdated, we reserve the right to amend or withdraw this declaration accordingly. We accept no liability for damages or losses arising from inaccuracies in supplier-provided data that were not reasonably identifiable to us at the time of issuance.

This declaration reflects the requirements of the applicable Packaging and Packaging Waste Regulation as understood at the time of issue. It does not constitute a guarantee of compliance with any future amendments to the regulation, nor does it cover packaging that has been modified, combined with other materials, or used in a manner not specified by us after delivery.
